Physicians Attestation Statement

Code of Federal Regulation

Section 456.106(d) Organization and composition of UR committee; disqualification from UR committee membership.

Committee reviews will not be conducted by any person who holds a financial interest in any hospital or by a person who was/is professionally involved in the case being reviewed.

The following individuals are members of the Utilization Review Committee for the Medical staff year beginning 2026 and hereby state:

- No financial interest exists between the undersigned members and _____ or **any other hospital.**
- No review will be conducted by a member who was professionally involved in the case being reviewed.
